- 6.1.1 Written reports are received by two lawyers at Plesner. Plesner acknowledges receipt of the report to the Whistleblower within seven (7) working days (from the day of receipt).
- 6.1.2 Then, Plesner will investigate the report in order to determine whether the report falls within the scope of application of the Arrangement. Subsequently, Plesner will forward the report to the two first persons on the list of the first sub-group of the whistleblower unit (hereinafter referred to as "**Report Monitoring Officers**").
- 6.1.3 Before forwarding the report, Plesner will make a legal capacity assessment in order to ensure, to the extent possible, that the two envisaged recipients of the report are not involved in the reported case.
- 6.1.4 If one of the envisaged recipients ought not to receive the report, Plesner will choose the next person on the list of the first sub-group of the whistleblower unit. If there are no suitable recipients on the list, the report will be forwarded to two persons on the list of the second sub-group of the whistleblower unit ("Report Monitoring Officers").

6.2 Report Monitoring Officers at Intrasoft

- 6.2.1 The report forwarded by Plesner will be processed by the "Report Monitoring Officers" , see however sections 6.2.2 and 6.2.3. The Report Monitoring Officers may jointly decide that the specific case management is to be performed by only one of the Officers .
- 6.2.2 The person or persons appointed as "Report Monitoring Officer(s) " are in any case obliged to ensure that the report does not concern themselves, neither directly nor indirectly, and that the reported issue is otherwise suitable to be treated within the Arrangement, see section 3.

- 6.2.3 Subsequently, the Report Monitoring Officers must follow up on the report and further investigate the reported case, including an assessment as to which steps are required in this respect.
- 6.2.4 When a preliminary investigation has been carried out and all relevant evidence has been secured, the Report Monitoring Officers will inform the reported person in this respect according to section 6.3.
- 6.2.5 The Report Monitoring Officers must ensure that the Whistleblower receives feedback soonest possible. If it is not possible to provide feedback within at least three (3) months following the receipt of the report, the Report Monitoring Officers must inform the Whistleblower accordingly. For further particulars, see section 6.4. The Report Monitoring Officers must ensure that the feedback to the Whistleblower comes from the company that is affected by the report.
- 6.2.6 All reports will be investigated. However, if a case is considered to be manifestly unfounded, no further investigation will take place. Reports falling outside the scope of the Arrangement, but not appearing to be unfounded, will be closed immediately and forwarded to Intrasoft's Group Legal Director. In this connection, the Report Monitoring Officers must inform the Whistleblower that the report falls outside the scope of the Arrangement.
- 6.2.7 The Report Monitoring Officer is authorised to engage internal and external assistance in connection with the investigation of reports, including IT support, investigative and legal assistance, to the extent this is deemed to be strictly necessary by the Report Monitoring Officers. Before engaging assistance outside the whistleblower unit, the Report Monitoring Officer is to consult a person from the second group of the whistleblower unit. In that case, the Report Monitoring Officer must ensure beforehand that the relevant person from the second group of the whistleblower unit is not disqualified.

- The identity of the Report Monitoring Officer(s) who are responsible for the investigation of the report, and
 - the issues of the report.
- 6.3.2 The reported person is furthermore entitled to protection of his or her identity during the case management and has a right to effective defence. These rights may not be waived by agreement to the detriment of the reported person.
- 6.3.3 Under certain circumstances, the reported person will also have the right of access to information about the Whistleblower's identity where necessary for the reported person to exercise his or her right to an effective defence (see sections 10.3 and 11).

Further information on the rights of the reported person can be found in the Privacy Policy for Whistleblower Arrangement that can be found at <https://www.netcompany-intrasoft.com/whistleblower>.
- 6.4 Feedback to the Whistleblower**
- 6.4.1 The Whistleblower must as soon as possible, and in principle within three (3) months following the acknowledgement of receipt of the report or if no confirmation has been sent to the Whistleblower,

within three (3) months after the expiry of seven (7) working days from the submission of the report, receive feedback from the Report Monitoring Officers . This may, for instance, be information about the progress and result of the investigation, including the measures that have been taken or are envisaged to be taken.

- 6.4.2 The feedback to the Whistleblower must be provided in compliance with relevant legislation applicable from time to time, including the rules under data protection law. Thus, the Report Monitoring Officers must with regard to providing feedback, observe the relevant statutory rules on confidentiality and protection of personal data, which may entail limitations in relation to the contents of the feedback that the Whistleblower is entitled to receive. In this connection, it is emphasized that the identity of the Whistleblower may only be revealed (directly or indirectly) if certain conditions are fulfilled in this respect (see section 10).
- 6.4.3 If an extension of the timeframe for the feedback is required, where necessary due to the specific circumstances of the case, in particular the nature and complexity of the report, the Whistleblower must be informed in this respect.

8 CONFIDENTIALITY

- 8.2 Prior to the investigation, the Report Monitoring Officers and the persons engaged to assist them must sign a confidentiality agreement.

9 ANONYMITY

- 9.1 Intrasoft always encourages the Whistleblowers to state their name when submitting a report so that the Report Monitoring Officers are able to ask clarifying questions and subsequently provide feedback on the further course of the investigation. Plesner will make a communication module available, allowing the Whistleblower to communicate with Plesner for the purpose of providing additional information about the reported issue, which Plesner will then pass on to the Report Monitoring Officers . However, if the Whistleblower has chosen not to be anonymous, the Report

Monitoring Officers will take steps to ensure that the communication takes place through ordinary channels and directly between the Report Monitoring Officers and the Whistleblower.

- 9.2 A Whistleblower reporting through the Arrangement may choose to submit the report anonymously. By means of a communication module, the Whistleblower can provide Plesner with additional information and remain anonymous. The Report Monitoring Officers will coordinate with Plesner regarding the need to ask additional questions, etc. through the communication module.
